Acoustic Signals Industrial Buzzers

> AE95 Series

Product overview

The AE95 is a medium output low frequency mechanical buzzer. The IP protection can be increased to IP65 by the use of the optional weatherproof back box.

The AE95 is suitable for a wide range of applications including fork lift trucks, emergency alarms, process control alarms and for mechanical handling machinery.

Features

- Industrial buzzer
- Wide voltage range
- Low frequency tone
- 15 minute rating
- Rugged construction
- 115dB @ 1 m
- IP53 (IP65 with back box)
