

Visual Signals EXPLOSION PROOF BEACONS

Explosion Proof > E-Flare LED Portable Beacon

Product overview

The HZ610 series portable LED beacon has been designed for use in Zone 2, Potentially Explosive Atmospheres. The beacon is ideally suited for marking/warning of temporary hazards in an explosion proof environment.

It is of robust construction and can be set for either a Flashing or Static (Steady On) light mode by twisting the lens to the left or to the right. The beacon comes with a wide range of accessories making the product extremely versatile in a wide range of applications. The beacon requires two 'D' cell Alkaline batteries for operation (not supplied).

Features

- LED long life
- 360° visibility
- Low battery indicator
- Shock resistant
- 40 hours life
- Ultra quick installation
- Zone 2  II 3G EX 11C T4 Gc
IP66

Material

- UV Stable Polycarbonate Lens
- UV Stable ABS Body
